

Survival Bracelet

Written By: joshua tucker

SUMMARY

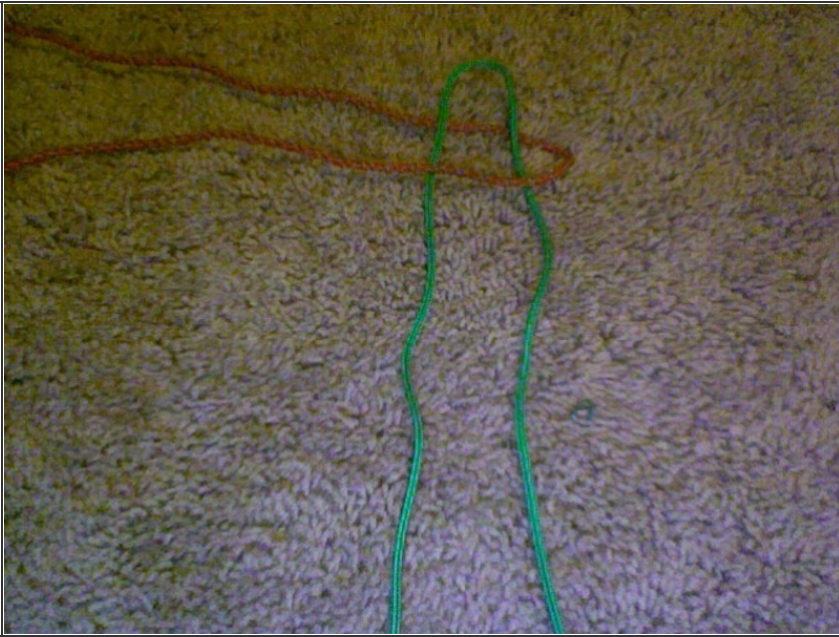

this is a simple way to make a survival bracelet, key chain, belt, necklace or what ever you can think of

Step 1 — Survival Bracelet

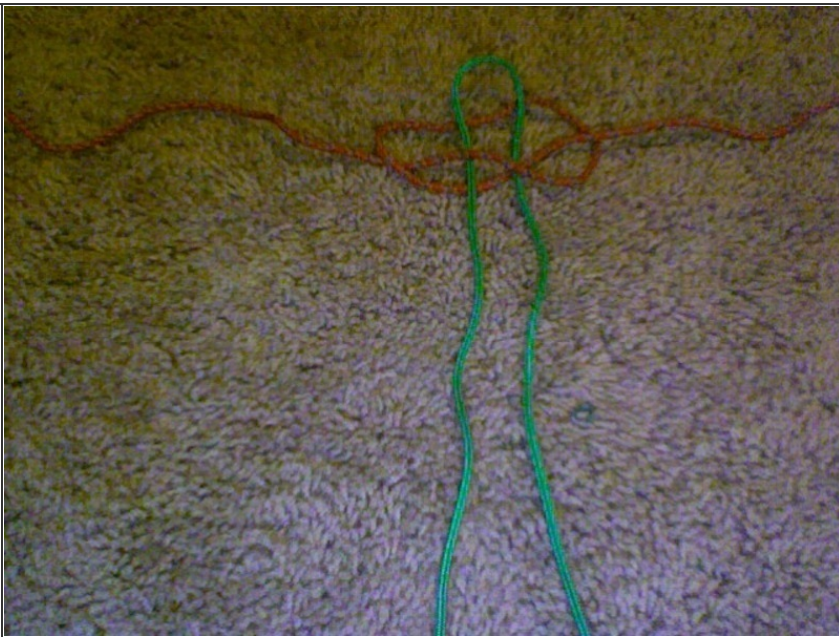

- start with a 2 foot pieces for the core
- fold in half
- wrap it around your wrist and tie a knot so when you put it through the loop you can fit two fingers in between the cord and your wrist

Step 2

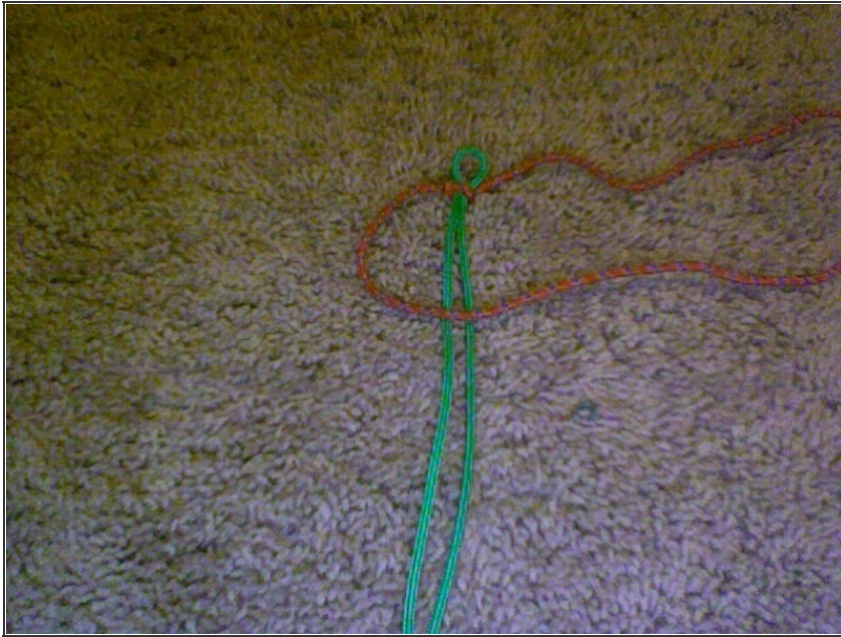

- Insert wisdom here.

Step 3

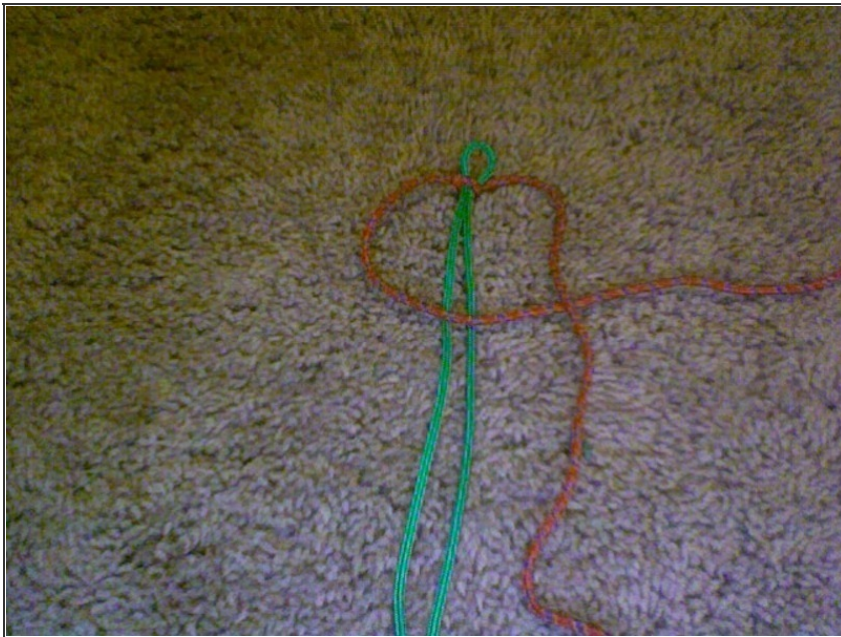

- Insert wisdom here.

Step 4

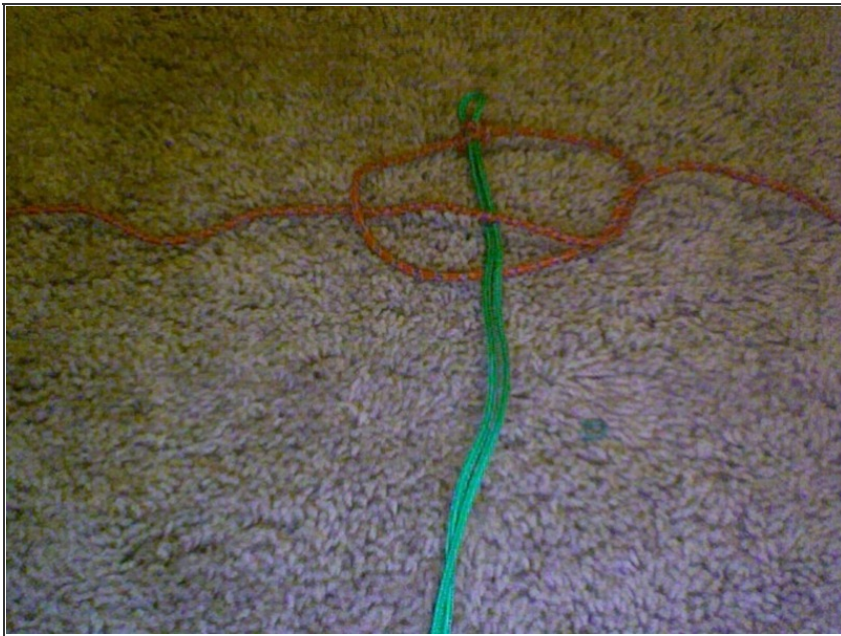

- Insert wisdom here.

Step 5

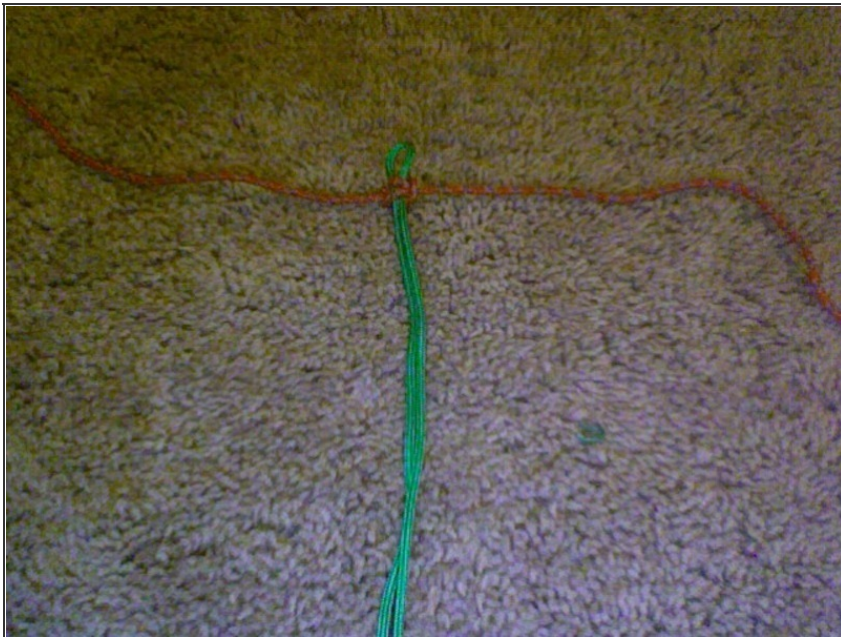

- Insert wisdom here.

Step 6

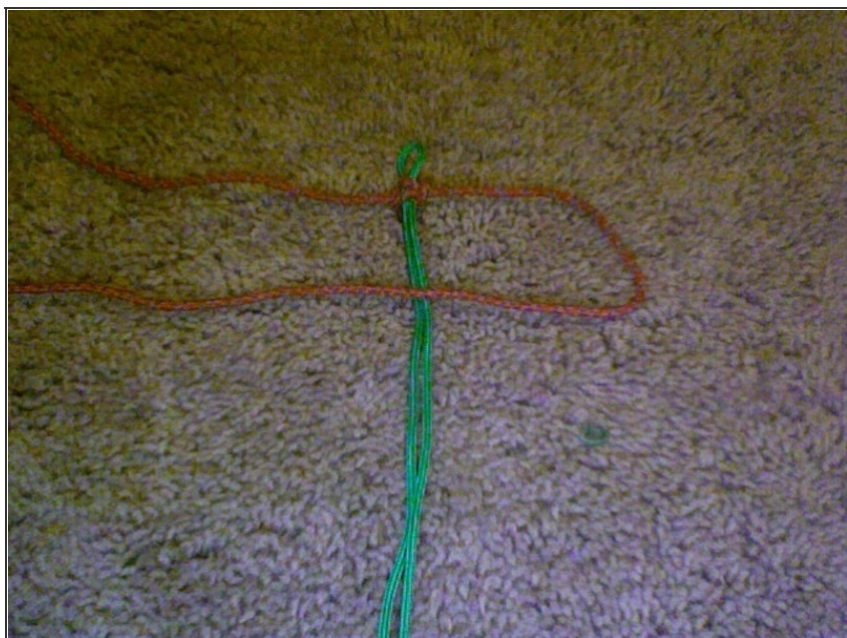

- Insert wisdom here.

Step 7

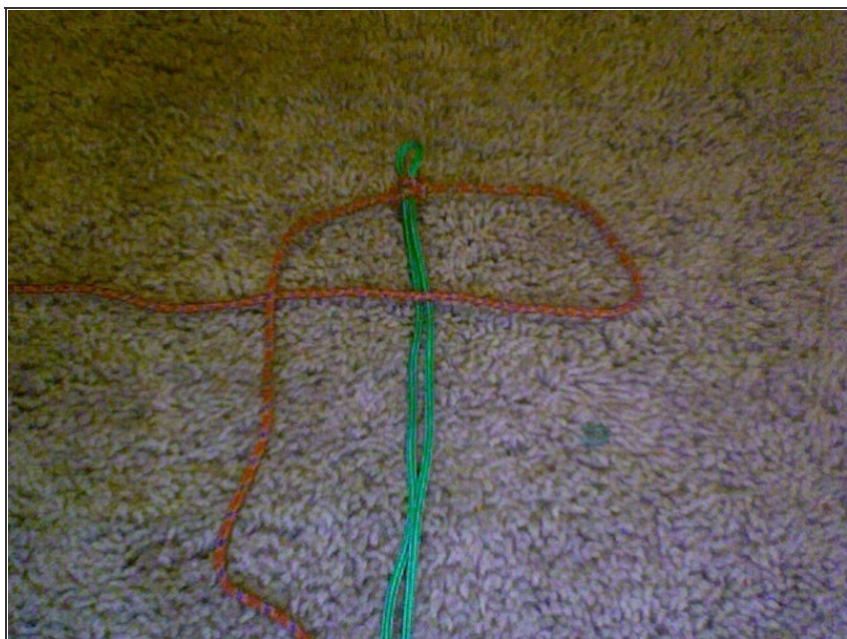

- Insert wisdom here.

Step 8

- Insert wisdom here.

Step 9

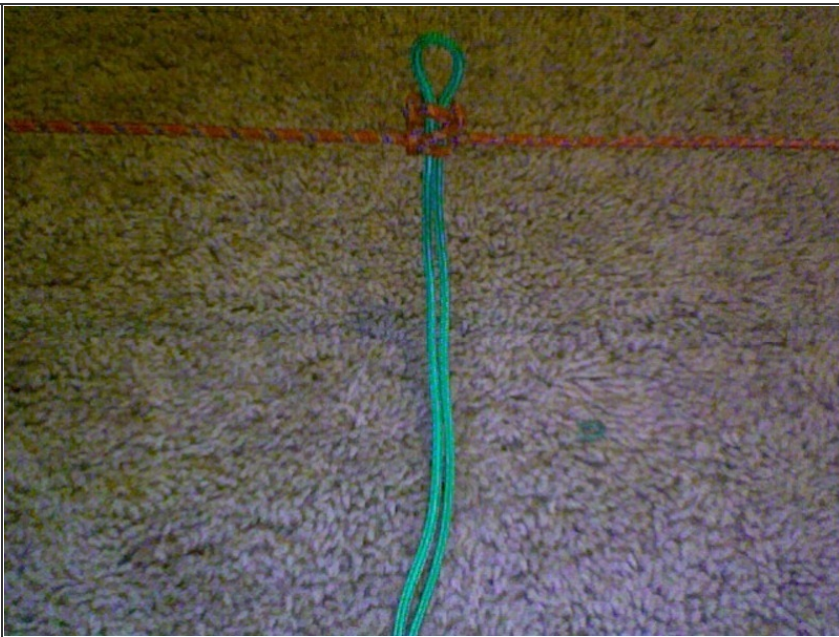

- Insert wisdom here.

Step 10

- Insert wisdom here.

Step 11

- Insert wisdom here.

now your finished

enjoy
